

The Stream Christmas 2025

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

(Isaiah 9:6)

At Christmas, we celebrate the fulfillment of this prophecy and many others through the birth of our Savior, Jesus Christ. It was historic. We even mark the numbering of our calendar years by His birth as being either before Jesus' birth or after His birth.

Christ's birth was literally life-changing for all of us, giving us a way to God the Father through His Son's ultimate sacrifice for us – another historical fact we celebrate each Easter. Yet, so many work to expunge history and our cause for celebration. That can't happen, unless we allow it. We work daily here at Faith And Friends Radio to keep Jesus first in our music and in our programming. As we are now fully engaged in Christmas music, you will find we play three out of every four songs with the Christ-in-Christmas message, with a sprinkling in of nostalgic offerings like Sleigh Ride or Winter Wonderland.

Why? Because Eternity Matters. We thank all of you who have become EMTS... Eternity Matters Team Supporters. It's not too late to join the Team by making an end-of-year, tax-deductible gift to help us keep that message going here and around the world in 2026. At this gift-giving season, we would be grateful if you would remember this ministry with your prayers and blessings.
