

Calling all EMTs (Eternity Matters Team Supporters)

If you haven't noticed, prophecy is playing out before our very eyes, worldwide. Do you feel the sense of urgency to share the treasure of how to know Jesus with others? It's uppermost in our minds as we continue to share that "Eternity Matters." Everyone has an eternity. Decisions we make in our comparatively brief duration on this earth, called our lifetime, will determine where one spends eternity.

While we do not know the day or the hour of our Lord's return, we can say with certainty that we are one day closer today than we were yesterday.

A necessary part of continuing to reach our world for Christ is the budgeting process. As we prepare our budget needs for 2026, won't you please prayerfully consider assisting us, first and foremost, with prayer on a regular basis throughout the year? And then, please pray about how God may lead you to support this ministry financially. Giving has remained static, but inflation has taken a deeper bite. We are grateful for your support, ongoing, new, monthly, quarterly, or however God would lead.

This is a wonderful, ripe Mission Field. Historically, 30% of a Christian radio station's audience has never made a decision for Christ. They listen because it's "clean"; They listen from other countries to learn English; They listen because they're curious. Whatever the reason, we want to be faithful to continue to bring the Word, planting seeds, that the Holy Spirit may water, grow and harvest.

SIGNIFICANT NEEDS FOR 2026

- Computer upgrades for several of our older machines
- Main Broadcast Console repair or replacement.

This console is 14 years old and has been with us since Day One. It's been repaired once (circa 4 years ago) and has now begun to periodically malfunction again.

GIVING BACK TO OUR COMMUNITY

The 26th Annual 100-Mile Bike Ride in support of the Dayton Gospel Mission was a success, raising \$5,000 for this inner-city missionary work. We had 14 riders and 3 support personnel, starting from Troy and ending on the north side of Cincinnati at Avoca Park. - ## CELEBRATE WITH US
- 14 years on the iHeart Radio app – allowing us to continue to reach every nation in the world. Faith And Friends Radio was the very first Internet-based radio station to be approved for the iHeart Radio Network platform
 - 20,000 followers on Facebook – a social media milestone reached in August.
 - Continuing to do our part for the Great Commission; **“Go into all the world and preach the Gospel to every creature.” – Mark 16:15**

Thank you for your prayerful support of this ministry. All gifts are tax-deductible. We walk by faith for God's provision and are reminded of two lines from the familiar hymn
Great Is Thy Faithfulness:

*“Strength for today and bright hope for tomorrow,
Blessings all mine and ten thousand beside.”
“All I have needed thy hand hath provided;
Great is thy faithfulness, Lord unto me.”*
